

D:/ClionProjects/TicTac  
ToeOverLan/src/client  
/GameClient.h

```
graph BT; GC[C:GameClient.cpp] --> H[GameClient.h]; M[M:main.cpp] --> H;
```

The diagram illustrates a C++ project structure. At the top, a grey box represents the header file `GameClient.h`. Below it, two white boxes represent source files: `GameClient.cpp` on the left and `main.cpp` on the right. Blue arrows point from each source file box up to the header file box, indicating that both source files include the header.
